**QUALITY ENHANCEMENT PROGRAM (QEP)  
CRITERIA FOR VOLUNTEER REVIEWERS**

The Board's QEP program reviews practitioners' audits, reviews, and compilations for the purpose of education. Each practice unit must submit reports or request an extension from filing reports every three years. The year 2006 process needs volunteer reviewers in June. Tentative dates for reviews are as follows:

- June 1-2, 2006 – Review of Governmental Reports (need a minimum of seven people)
- June 5-9, 2006 – First Level Review of Reports
- June 12-16, 2006 – Second Level Review of Reports

By participating in the QEP Review Program, a practitioner can earn eight hours of Continuing Professional Education (CPE) per each day of review and his/her firm will be given \$100 per day to help defray expenses. Volunteer reviewers must complete an application (on the back of this form) and be approved in advance by the Board.

**Reviewers must meet the following criteria for First Level Review:**

1. Must have five years of experience in audits, reviews, or compilations  
**or** five years of Academia.
2. Should participate in at least five financial statement engagements per year.
3. Must sign a confidentiality statement regarding the reports reviewed.

2. Must be competently experienced in audits, reviews, or compilations.
3. Should participate in at least five financial statement engagements per year.
